

uart\_check\_send

```
graph LR; A[uart_check_send] --> B[uart_read_reg]; B --> C[util_sys_inb];
```

A flowchart illustrating a sequence of three operations. The first operation, 'uart\_check\_send', is contained within a gray rectangular box. A dark blue arrow points from this box to the second operation, 'uart\_read\_reg', which is in a white rectangular box. Another dark blue arrow points from the second box to the third operation, 'util\_sys\_inb', also in a white rectangular box. All boxes have a black border, and the arrows are horizontal and point to the right.
