

uart_read_message

```
graph LR; A[uart_read_message] --> B[uart_read_reg]; B --> C[util_sys_inb];
```

A flowchart illustrating a sequence of three operations. The first operation, 'uart_read_message', is contained within a gray rectangular box. A dark blue arrow points from this box to a white rectangular box containing the second operation, 'uart_read_reg'. Another dark blue arrow points from the 'uart_read_reg' box to a third white rectangular box containing the operation 'util_sys_inb'. All boxes have a black border, and the arrows are solid dark blue.
